TECHNICAL SKILLS

- Html
- Css
- Javascript
- React

PROGRAMMING LANGUAGE

- C
- Java
- Python

AREAS OF INTEREST

- FrontEnd Development

SOFT SKILL

- TimeManagement
- Adaptability

PROFESSIONAL PROFILE

Aspiring Software Engineer seeking an opportunity to leverage my skills to drive technological advancements and support organizational growth.

EDUCATION

BANNARI AMMAN INSTITUTE OF TECHNOLOGY

(2022 - 2026) CGPA UPTO 5th SEMESTER - 8.19

M.K.V.K MATRIC . HR. SEC.SCHOOL

(2021 - 2022)

HSC - 87.7%

M.K.V.K MATRIC . HR. SEC.SCHOOL

(2019 - 2020)

SSLC - 83%

PROJECTS

1) Banking application using mern stack (integrated blockchain)

September 2024 - Novemeber 2024

Team Project

Role Played : FrontEnd

Description :

- Developed a secure banking application using React.js for the frontend, Solidity for smart contracts, and MongoDB as the database.
- Integrated blockchain technology to ensure transparency, immutability, and enhanced security in financial transactions.
- Designed and implemented smart contracts in Solidity to manage fund transfers, account management, and transaction verification on the blockchain.
- Developed a real-time tracking system for financial transactions, providing users with instant updates and secure transaction history.
- Optimized data consistency and security through robust authentication and blockchain-based transaction logging, ensuring data integrity and preventing unauthorized access.

LANGUAGE

- Tamil(R,W,S)
- English(R,W,S)

PERSONAL INFO

Date of Birth : 12.03.2005

Address: 9 A, Courtallam(PO),
MINNAGAR, TENKASI, 627802

2) Restraraunt Website

Ongoing Project

Individual Project

Description :

- Developed a static food ordering website using HTML and CSS with an easy-to-navigate layout.
- Designed an intuitive UI/UX, ensuring clear visibility of food categories and prices for a user-friendly experience.
- Implemented gallery and reviews sections, showcasing food images and customer feedback to engage users.
- Created clear call-to-action buttons for improved navigation and user interaction on the website.

EXTRA-CURRICULAR ACTIVITIES

Paper Presentation

- Presented Paper on **"BANKING APPLICATION USING MERN STACK (BLOCK CHAIN INTEGRATED)"** in National level technical symposium.

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge and belief.
